## CAREER OBJECTIVE

As an aspiring web developer, my objective is to learn and master the latest web development technologies and techniques, and to build a successful career in this exciting and dynamic field.

## SOFTWARE PROFICIENCY

- ✓

**Programming Language:** Java , Python, MATLAB, HTML, C, C++
- ✓

**Designing and modeling software:** AUTOCAD
- ✓

**Databases:** MySQL, PyMongo, MongoDB
- ✓

**Software Knowledge:** MS-OFFICE, MS-EXCEL
- ✓

Software development
- ✓

Front-end & back-end web development
- ✓

Agile leadership or scrum master

## EDUCATION

B.TECH							
INDIRA GANDHI ENGINEERING COLLEGE							
Academic Year				Semester-I		Semester-II	
				SGPA	CGPA	SGPA	CGPA
2020-21	-	First year		7.90	7.90	8.05	7.98
2021-22	-	Second Year		7.79	7.91	5.54	7.28
2022-23	-	Third Year		6.04	7.02	-	-
2023-24	-	Fourth Year		pursuing			

Examination	Institute	Year of Passing	Percentage
HSC	Balaghat English Higher Secondary School, Balaghat	2020	77%
SSC	Ideal Public School, Waraseoni	2018	87.6%

## PROJECTS

### PEDAL POWERED WATER PURIFIER | 2023

- Technology used- Reverse osmosis
- Brief Description-A pedal-powered water purifier is a device that uses human power to filter and purify water. It typically consists of a pedal-powered generator that powers a water pump, which then pumps water through a series of filters to remove impurities and contaminants. The purified water is then collected in a storage tank for later use. This type of device is often used in rural areas where electricity is not readily available, and clean drinking water is scarce.

---

## CO-CURRICULAR ACTIVITIES

- Played state level cricket in my university from Sagar division.
- Played state level U-14 cricket.
- Successfully organized Inter-branch cricket tournament in I.G.E.C Sagar.
- Event organizer in all school and college annual day functions and other technical events.
- Actively participated in all the sports activities held in school such as cricket, race and kho-kho etc.

---

## SKILLS

- Attentive listening and effective oral communication skills.
- Critical Thinker
- Great at Problem Solving
- Good Leadership Skills

---

## INTERNSHIP

- TOPIC : WEB DEVELOPMENT
- LOCATION : CRISP (Bhopal)
- DURATION : 6 Weeks (60 hours)
- DESCRIPTION : The web development internship at CRISP Bhopal provides students with hands-on experience in designing and building websites. During my web development internship, I gained practical experience in designing and building websites. I worked on real-world projects, learning from experienced developers and contributing to the development of cutting-edge web applications. The program provided a supportive and collaborative environment, with opportunities for professional growth and development.

- 
- TOPIC : WEB DEVELOPMENT
  - LOCATION : Null Class (Online)
  - DURATION : 8 Weeks
  - DESCRIPTION : I gained practical experience in web development, worked on real-world projects, and learned from experienced developers in a supportive and collaborative environment.
- 

**I HEREBY DECLARE THAT, THE DETAILS MENTIONED IN THE ABOVE AREAS ARE CORRECT TO THE BEST OF MY KNOWLEDGE.**
